
Real Patriots, Attention!

KEEP COOL

DO YOU SEE ANYTHING IN “PREPAREDNESS” THAT LOOKS LIKE PROFITS?

Armament makers in Europe have engineered war-scares to swell profits.

Our own munition interests backed by Wall Street are supporting this scare for “Preparedness.”

Listen: In 1915 HUDSON MAXIM, the great gun patriot,

- 1) Published “DEFENSELESS AMERICA.”
- 2) Became Movie Star in “BATTLE CRY OF PEACE.”
- 3) Organized \$10,000,000 MAXIM MUNITIONS CORPORATION.

Our Munition Makers have made us hated in Europe. Now we must buy their products to defend ourselves against that hatred.

1,000,000 rounds of rifle ammunition, sold by our Munition Patriots to bandits, were confiscated at the Mexican border by our troops on May 10th.

NICHOLAS MURRAY BUTLER, President of Columbia University, says: “My impression is that somebody makes something by reason of the huge expenditure in preparation for war.”

The hope of the world is that the present war will end MILITARISM.

America with a huge navy and Compulsory Military Service, would be MILITARISM VICTORIOUS.

*We, the undersigned, hereby petition the Citizens of
America to protest against unusual increase in
Army and Navy appropriation during this Session*
